

“Sing His Praises”

1. Tell about a memorable song service you have been a part of. As far as you can identify them, what factors contributed to the good experience for you?

If only your preferences are being considered — or if everyone else shared your preferences — describe your ideal song service.

2. Read Colossians 3:16. From this passage, try to identify at least five characteristics of the Apostle Paul's “ideal song service.”

In what ways might the goal to “teach and admonish one another” change your ideal song service?

3. Although written to a church that was richly charismatic, the principles behind Paul's instructions in 1 Corinthians 14 are useful for us. Read verses 18–19 and 26–28. What seems to be Paul's primary concern in this passage? What guidance do you see in these verses for our own worship services today?
